A Mother’s Work: Two Levels of Feminist Analysis of Family ...
There has been, thankfully, a great shift since the chastened “New Women” of Bram Stoker’s Dracula, as noted by critic Phyllis A. Roth“For both the Victorians and twentieth century readers, much of the novel’s great appeal comes from its hostility toward female sexuality”1That hostility has been a source for female transformation from the post feminist era of the 1960’s to the ... A feminist analysis of Dracula Example | Graduateway
While most feminist theorists throughout history have been women, people of all genders can be found working in the discipline today. By shifting the focus of social theory away from the perspectives and experiences of men, feminist theorists have created social theories that are more inclusive and creative than those that assume the social actor to always be a man.

Feminist Theory: Definition and Discussion

37 Famous Feminists - Inspiring Women of the Feminist Movement
Feminist Analysis. Feminist theorists have expanded the definition of patriarchal society to describe a systemic bias against women. As second-wave feminists examined society during the 1960s, they did observe households headed by women and female leaders.

Patriarchal Society Defined According to Feminism

"The Tying of the Ceremonial Thread" by Sonja Thomas
This book presents a transnational feminist view of international actions combating patriarchal attitudes and policies that shape gender-oppressive cultural practices. How these elements take form in the modern era and responses to them are the heart of this text. Each chapter compels readers to more closely examine contemporary violence and oppression against women and girls throughout the ...
A Feminist Analysis of Gender and Residential Zoning

A feminist analysis is quick to point out that the theoretical "objectivity" of deterrence theory has in fact been manipulated and co-opted as a means to uphold a man-made status quo. This is reflected in the identification of the low-yield warhead as a more useable, "battlefield-friendly" weapon. The terminology of the new warhead is misleading.

Feminist Nuclear Policy | Ploughshares Fund

Feminist research is described in terms of its purposes of knowledge about women's lives, advocacy for women, analysis of gender oppression, and transformation of society. Feminist critiques of social science research are reviewed in relation to the development of methodological and epistemological positions.
